

Celebrate Their New Fur-Ever Home

Moving into a new home is worth a celebration for the whole family – including the pets! From dogs and cats to guinea pigs and snakes, pets help form the fabric of family for many of your clients.

RE/MAX® knows this, and that's why we've collaborated with PetValu to offer you a way to deepen your connection with your clients. In this Welcome Home Package, your pet-owner clients will be delighted to find:

- \$200 in coupons to PetValu stores.
- Helpful info on moving with pets.
- A stuffed chew toy in the shape of a key for the furbabies in the family¹.

Whether their BFF is four-legged, two-legged or no-legged, your clients will love the thoughtful gesture on your part – and so will their pets!
